Ms. deBeau:

As I just explained in the voicemail I left for you, I am the attorney for Florida Freedom PAC. (An executed designation of counsel form will follow.) I would like to request additional time to respond to your letter dated May 8, 2015, regarding RAD Referral 15L-33. Florida Freedom PAC just received the letter yesterday (May 20) and would like sufficient time to review the material and determine an appropriate response. I gather from the out-of-office message on your voicemail that you will not be back in the office until after the holiday, so clearly you do not anticipate reviewing any response from Florida Freedom PAC before then, but I would appreciate it if you could contact me upon your return so that we can agree on a new response deadline.

I look forward to working with you to fully resolve any concerns the Commission may have related to Florida Freedom PAC.
